

GCI Denominational Celebration 2021

Debrief Gathering **Agenda**

The debrief gathering is a time of reflection and discernment in community. Keep this purpose in mind as you plan. What next steps may God be inviting you into in response to what you experienced during the Celebration?

Here is a suggested agenda to aid you in the planning process. We have also provided suggested discussion questions for your convenience.

Prayer (15 minutes)

Open with prayers of thanksgiving to God for all he has done. Thank him for the ways he spoke throughout the Celebration and for the testimonies that were shared. Ask him to give you clear insight into ways to contextualize what you learned in the local church.

Group Discussion (60 minutes)

Invite God to use this time of discussion to build momentum towards intentional healthy church growth. What next step will you and your leadership team take towards healthy church?

Prayer (15 minutes)

Close in prayers of anticipation. Ask God to be made eager participants in his ministry. Pair up participants to pray together and commit to praying for one another for the next month.
